

ELIMINATOR

IT'S NOT JUST A MOUTHWASH!

Try these alternative uses for *Eliminator* – pour into a spray bottle for easy application

Our unique mouthwash is formulated with a unique patented ingredient (Stabilized Chlorine Dioxide) that helps eliminate odors by dissolving food films, thus eradicating the true source of bad breath. This powerful ingredient is registered with the EPA, as an excellent bactericide, fungicide, and antimicrobial agent. Peppermint flavoring is also added to *Eliminator's* formula to give it a minty-fresh taste. (3 ingredients in *Eliminator* - Stabilized Chlorine Dioxide, water, peppermint)

While *Eliminator* provides you with a strong, effective mouthwash, **its versatile formula also makes it suitable for a variety of uses -- from disinfecting and deodorizing surfaces as you clean your home or office to soothing sunburned or itchy skin or helping with acne.**

Eliminator is much more than a cosmetic treatment to an age-old problem. Its alcohol-free formula is safe for your whole family to use in a multitude of ways, so replace the alcohol-based mouthwash in your medicine chest with *Eliminator* today, and realize the healthy, powerful benefits for the rest of your life.

1. **AFTER SHAVE TONIC:** First wash area with [Refresh Bath & Shower Gel](#) or [True Touch facial cleanser for Men](#). Spray with *Eliminator* and rub into beard area gently.
2. **AIR CONDITIONER FILTERS:** After cleaning the filter, spray with *Eliminator* before reuse. Don't rinse
3. **AIR/CAR FRESHENER** – To use as an air freshener, spray area 10-15 minutes before company arrives to freshen up any room. Also use *Eliminator* to freshen up stale smoke odors in cars by spraying carpets, headliners and seat.
4. **BABY BOTTLES:** Mothers that use plastic bottles for juice and milk, can keep their bottles fresher longer. First wash the bottles normally, then spray with *Eliminator* and let stand 10 minutes, then rinse. *Eliminator* removes sour odors/tastes.
5. **BAD BREATH:** Of course, *Eliminator* works great as a mouthwash! Not only for you but for your PETS too!! Simply add it to their drinking water! Use it at night with Radiance Toothpaste, and No ore morning breath.
